## Publications

**Tarification optimale du gaz carbonique et élasticités dans les transports [Optimal carbon pricing and transport elasticities], 2020, CIRANO** (with Charles Vaillancourt and Michel Poitevin) [LINK]

## Research experience

|                                                                                |           |
|--------------------------------------------------------------------------------|-----------|
| Researcher - Mitacs Acceleration scholar (CIRANO & Québec Ministry of Finance) | 2019-2020 |
| Research assistant - Laboratory for Macroeconomic Policy                       | 2019-2020 |
| Research assistant - Guillaume Sublet                                          | 2023      |

## Teaching experience

|                                       |            |
|---------------------------------------|------------|
| Lecturer - University de Montréal     |            |
| ECN1901 (introduction to economics)   | 2026       |
| ECN1700 (economics and globalization) | 2024       |
| ECN1050 (macroeconomics)              | 2022, 2023 |

Teaching assistant - McGill University & University de Montréal

*Undergraduate level*

|                                         |           |
|-----------------------------------------|-----------|
| ECN3950 (workshop in applied economics) | 2024-2026 |
| ECN1050 (macroeconomics)                | 2023      |
| ECN2260 (econometrics)                  | 2022      |
| ECON 219 (economic problems)            | 2020      |
| ECON 208 (microeconomics)               | 2019      |

*Graduate level*

|                             |           |
|-----------------------------|-----------|
| ECN6238 (macroeconometrics) | 2022-2026 |
| ECN7050 (macroeconomics)    | 2021-2025 |

## Academic seminars and conferences

|                                                                        |                  |
|------------------------------------------------------------------------|------------------|
| 7th World Congress of Environmental and Resource Economists            | 2026             |
| 25th Journées Louis-André Gérard-Varet                                 | 2026             |
| 15th FAERE Thematic Workshop                                           | 2026             |
| T2M 2026                                                               | 2026             |
| 12th CREEA PhD and Early Career Researcher Workshop                    | 2026             |
| 60th Annual Meetings of the Canadian Economics Association             | 2026             |
